

Wedding information and forms

Congratulations on your engagement and upcoming wedding!

Your engagement is an important time and we are excited that you have chosen us to be a part of your engagement process, your ceremony and future marriage. In this packet, there are a few things that will help you as you begin this process.

Once you have submitted the paperwork, it will be reviewed. The pastor who is assigned to officiate your wedding will set up a meeting with you to discuss your couple history, what the Bible says about marriage and go over the policies of CenterPoint regarding marriage. *It is only after this meeting that a pastor at CP may agree to officiate your wedding.* At CenterPoint Church, we believe that marriage is a lifetime commitment between a man and a woman that is honored by God. This belief plays an important role in our selection process of whom our pastors will marry because they are responsible before God for officiating weddings. (Hebrews 13:17).

Please carefully read over everything below, fill out the form and email or mail it back to our office. If you have any questions, feel free to email us at info@cpchurch.com. Thank you!

Wedding Policies

1. At least one person in your couple needs to be a regular attender at CenterPoint Church. If CenterPoint is your home church and you are currently not a member, we encourage you to become a member before your pre-marriage counseling begins.
2. In order for a couple to be married at CenterPoint church and/or by our pastors, you must complete a Premarital Counseling course. The course may be conducted by the pastor officiating your ceremony or another counselor approved by the officiating pastor. **Couples who are dating and wish to start the pre-marriage counseling prior to engagement can begin and then finish once they are engaged.*
3. We have a pastoral rotation for weddings. As marriage forms are turned in, we will choose a pastor for you. The pastor who is assigned to you will call and set up a time to meet. You can request a specific pastor, and we will do our best to accommodate (if calendars align). Please understand that a pastor cannot commit to a wedding that is more than one year away.
4. We ask that you give the pastor performing the wedding an **honorarium of \$450**. If the honorarium cannot be met, we never turn away a couple due to monetary difficulty; please discuss this in advance with the pastor. The honorarium is given to the pastor directly prior to the wedding day. If you pay by check, make sure it is written out to the pastor and not the church.
*Please Note: If the rehearsal/ceremony is a long distance away, please include travel expenses.
5. **Final approval and booking** with the assigned pastor will occur ONLY after meeting with your assigned pastor and agreeing to all of the above stated criteria.
6. The pastors are honored to be part of your wedding day. Due to our pastors' time please understand two things:
 1. If the wedding is straight forward and your pastor doesn't feel that a wedding rehearsal is needed, they will give you instructions on the wedding, but they do not need to attend the rehearsal - especially since there is a wedding planner involved.
 2. Please feel free to invite the pastor to the reception; however, it may not be possible to attend your reception. It is certainly generous to invite them; please be understanding if they cannot attend.
